Report Name	Report Description
Enrollment and Claims Paid by Tier Detail	This report provides a summary of enrollment by tier, medical paid by tier and Rx paid by tier.
Member Listing - Medical	This roster includes employees, spouses, and dependents who are covered on the medical plan.
High Cost Members - Detail	This report identifies members whose total paid/allowed health care costs have exceeded the user defined threshold during the reporting period. Both medical and pharmacy claims are included in this report. Costs for the individuals are broken-out by type of cost allowing for identification of which type of services are driving the members' costs.
Young Adult and Medicare Eligible	This report will show members turning 26 and 65 two months out from the reporting month in the selected time-period.
Health Plan Snapshot	This report provides a snapshot of health plan membership and costs compared to a prior period.
Chronic Conditions Prevalence	This report displays the prevalence of each chronic condition in the reporting and comparison period.
Utilization Metrics	This report captures key areas of resource utilization that typically account for a significant amount of healthcare spend.

All-new levels of health plan data insights, analysis and integration - now all yours.
